Service with a Difference Nature and Climate

Sunday 30th January at 4pm

At this informal service, Katie and Delphine Fraser, together with Penny Stock, will be talking about the natural world and the effects of climate change.

We'll be screening the animation of Delphine's poem, which was premiered to world leaders at this year's COP26 in Glasgow.

Penny will be sharing her wealth of experiences of working with the Nature, Climate and Energy team at the United Nations Development Programme.

Together we'll talk about ways we can protect, love and nurture our environment, both at home and beyond.

Please join us - adults and children of all ages - for a lively and active discussion, as well as a chance to engage with friends and neighbours.

Tea, coffee and biscuits.

Jesus is Baptised

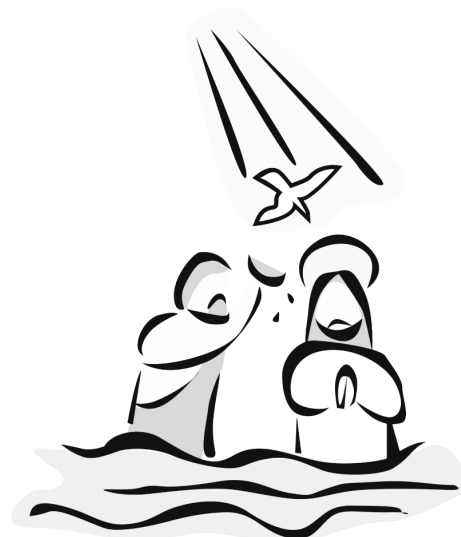

Luke 2: 15-17, 12-22 (Good News Translation)

15 People's hopes began to rise, and they began to wonder whether John perhaps might be the Messiah. 16 So John said to all of them, "I baptize you with water, but someone is coming who is much greater than I am. I am not good enough even to untie his sandals. He will baptize you with the Holy Spirit and fire. 17 He has his winnowing shovel with him, to thresh out all the grain and gather the wheat into his barn; but he will burn the chaff in a fire that never goes out."

21 After all the people had been baptized, Jesus also was baptized. While he was praying, heaven was opened,

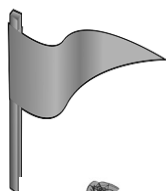

22 and the Holy Spirit came down upon him in bodily form like a dove. And a voice came from heaven,

"You are my own dear Son. I am pleased with you."
